

hanit® TERRA RAISED BED

Planting made easy

hanit® raised bed systems make difficult garden work that little bit easier. Raising the plants and soil above ground-level means no more tiresome bending. Terra raised beds come with complete side sections for quick and easy assembly. We also have a kids' version on offer (see Playground furniture).

Material:

hanit® Recycled Plastic

Surface:

Structured, grained

Dimensions (W x L):

90 x 190 cm

Weights:

63 cm (Kids' raised bed) and 83 cm

Weights:

128 kg and 159 kg

Version:

Without bottom

Delivery as construction kit

Advantages:

Rot-free from both inside and outside

Completely assembled

Available in different colours

Drainage holes easily retrofittable

Durable and dimensionally stable

No annoying mothballing in winter (weatherproof)

Resistant to vandalism

 Brown
